

## DATA SHEET

**Aurìa® Cleanser**

Last update: 25/02/2026

**Gentle ear-cleansing solution for dogs and cats.**

For the routinely ear cleaning of dogs and cats. Removes excess earwax while maintaining the natural balance of the ear.

Aurìa® Cleanser isn't a veterinary drug. It's a product for the ear hygiene of dogs and cats.

Species: **Dog • Cat**

**Packaging and Prices**

Aurìa® Cleanser	100 ml bottle with soft dispenser	24,50 €	cod. 2181	
-----------------	-----------------------------------	---------	-----------	---------------------------------------------------------------------------------------

**Use**

Remove the cap of the flush nozzle. Gently insert the nozzle in the ear canal and repeatedly squeeze the soft part of the dispenser until the ear canal is filled.

Gently massage the base of the ear to evenly distribute the product. Allow the animal to shake its head to remove debris and excess earwax. Wipe off any debris from the ear flap with a clean tissue or gauze. Use once a week, or as directed by your veterinarian.

Do not use in case of suspected tympanic lesion.

**Properties**

Plant-based squalene is a natural derivative of olive oil with a very effective cerumenolytic action. The product is non-ototoxic, therefore suitable for very sensitive animals. Acetic acid reduces residual moisture and helps minimising the risk of maceration of the ear canal and microbial growth. Adelmidrol – a congener of palmitoylethanolamide – exerts a soothing and anti-reddening action.

**Functional principle**

Plant-based squalene

Acetic acid

Adelmidrol

**Ingredients**

ETHOXYDIGLYCOL, SQUALENE (OLEA EUROPAEA OIL UNSAPONIFIABLES), ACETIC ACID, ADELMIIDROL(INN). PROPYLENE GLYCOL, AQUA.

## Precautions

Keep out of reach of children.

For animal use only.

External use only.

Suitable for sensitive skin. If any allergic reaction or skin irritation occurs, discontinue use.

Avoid contact with eyes.

Do not apply on open wounds. Do not use in case of known sensitivity to any ingredient.

Close tightly after use. Store at room temperature, away from direct sunlight.
