Last update: 16/05/2026

Soothing, sanitising and restructuring ear drops.

Soothing, sanitising and restructuring ear drops to normalize the outer ear affected by redness, waxy secretions and bad odour.

Aurìa® Drops isn't a veterinary drug. It's a product for the ear hygiene of dogs and cats.

Species: **Dog • Cat**

Packaging and Prices

Aurìa® Drops

10 ml dropper bottle

15,90 €

cod. 2180

Use

Shake well before use. Apply 4-8 drops 2 or more times a day for at least 10 days.

- Fill the dispenser by pulling up the plunger to the desired mark. One mark corresponds to 1 drop.
- Unscrew the cap by gently pressing the sides.
- Bring the preloaded dispenser close to the external ear canal and press the plunger all the way down. To avoid the risk of injury, do not insert the dispenser deep into the ear canal.
- Gently massage the base of the ear for a few moments to ensure optimal distribution of the product.

Before starting the treatment cycle, it is advisable to gently cleanse the outer ear with Aurìa® Cleanser.

Properties

Adelmidrol - a congener of palmitoylethanolamide - exerts a soothing and anti-reddening action.

The sanitizing complex (usnic acid and undecylenic acid) helps to maintain a balanced microbial flora of the outer ear. Acetic acid reduces residual moisture and helps minimising the risk of maceration of the ear canal and microbial growth.

The restructuring complex (phytosphingosine and traumatic acid) maintains the epidermal barrier integrity and the proper hydration of the outer ear.

Functional principle

Adelmidrol

Undecylenic acid

Usnic acid

Acetic acid

Traumatic acid

Phytosphingosine

Ingredients

AQUA, CAPRYLIC/CAPRIC TRIGLYCERIDE, PEG-10 RAPESEED STEROL, ADELMIIDROL(INN), ACETIC ACID, ACRYLATES/C10-30 ALKYL ACRILATE CROSSPOLYMER, PHYTOSPHINGOSINE, UNDECYLENIC ACID, BENZOIC ACID, POTASSIUM SORBATE, TRANS-2-DODECENEDIOIC ACID, USNIC ACID.

Precautions

Keep out of reach of children.

For animal use only.

External use only.

Suitable for sensitive skin. If any allergic reaction or skin irritation occurs, discontinue use.

Avoid contact with eyes.

Do not apply on open wounds. Do not use in case of known sensitivity to any ingredient.

Close tightly after use. Store at room temperature, away from direct sunlight.
